GAWLER RANGES - 9 days

DAY 1 Depart Adelaide, travelling up National Highway 1 via Port Augusta and Iron Knob, then west into the Gawler Ranges to camp 2 nights at an isolated water hole on Thurlga station.

DAY 2 A day walk along a wilderness creek noted for its gentle cascades, porphyritic granite columns and scenic hilltops.

DAY 3 We move north to Lake Gairdner for a wander on the endless expanse of this salt lake before following the track north west to Lake Everard station to camp for two nights.

DAY 4 A morning walk through the unusual landscape surrounding "Pretty Point". Afternoon drive to climb Mt St Mungo and view Lake Acraman, one of the world's largest known meteorite craters.

DAY 5 We travel South through Yardea station for an afternoon walk at Scrubby Peak and a night's camp.

DAY 6 Crossing the Eyre Highway our route takes us to the coast at Venus Bay, then South East to Coffin Bay National Park for a two night camp.

DAY 7 Scenic drive and half day walk in the National Park.

DAY 8 To Port Lincoln and a visit to the scenic Whalers Way before following the coast North to Cowell to camp.

DAY 9 Return to Adelaide via the Wirrabra Forest, arriving in Adelaide at approximately 5pm.
